

## Career assets investment plan for greater success and wellbeing

Before you begin, take a few minutes to draw a timeline of your professional development over the past 2-5 years

<p>Answer the questions one by one ► preferably in written form. In case one answer sheds a different light on a previous one, it is recommended to go back and revise it.</p>	<p><b>I The fruit of the path I took:</b> Career assets accumulated over the past 2-5 years</p>	<p><b>II What do I want in the future?</b> Career assets I wish to accumulate over the next few years (needs periodic updates)</p>	<p><b>III How will I get there?</b></p>
<p><b>How to develop your professional assets –</b> The ability to create value</p>	<p>1. Which complex professional challenges did I learn to cope with? To what level?</p>	<p>5. Which other complex professional challenges will I learn to cope with? To what level?</p>	<p>10. Which kinds of tasks and experiences is it important that I gradually take on?</p>
<p><b>How to develop your occupational assets –</b> the ability to be given work</p>	<p>2. Which professional paths have been unlocked for me? By virtue of what?</p>	<p>6. Which other professional paths do I wish to unlock 7. Think creatively: What unplanned opportunities would I be happy to stumble upon?</p>	<p>11. Which organizations, interfaces or people should I work with in order to generate more helpful connections and opportunities??</p>
<p><b>How to develop your personal assets –</b> The ability to cultivate a sense of wellbeing</p>	<p>3. Which previously open questions about my career did I succeed in finding the answer to?</p>	<p>8. Which currently open questions about my career would I be glad to find the answer to?</p>	<p>12. What additional experiences would help me answer the currently open questions I want to answer in my career?</p>
<p><b>Concluding questions</b></p>	<p>4. Where would I like to be 2-5 years from now in my career? What should characterize my career at that future time?</p>	<p>9. Which of the answers from the column above am I currently more certain about? What about less?</p>	<p>13. What do I need to insert into my planning and organizing tools right now?</p>
